

# Great to be back in Bali!

- Global Shrimp Outlook meeting in 2002 was crucial but also relaxed and FUN!
- 2025 Shrimp Summit is packed with great content, but also with great networking opportunities

# Thank you to our Co-Hosts:

Syamsul Arifin  
Steve Hart  
Denise Gurshin

Andi Tamsil  
Rully Setya Purnama

Deny Mulyono

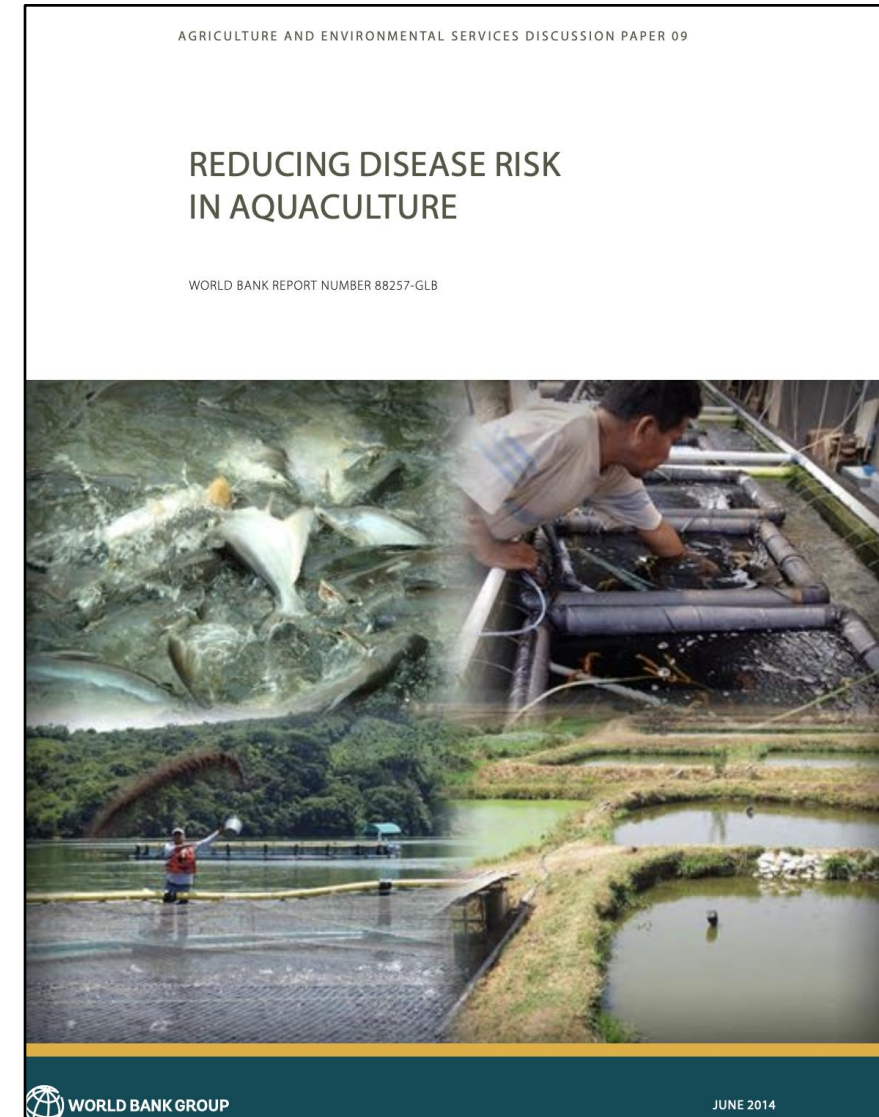

Marco Lukmito  
Aris Utama  
Adi Surya Dewanto  
Ronnie Herman

Twin Oceans Research Foundation

# TCRS Shrimp Projects

- Improver Program for Smallholder Shrimp Farms
  - India
- Shrimp Summit
  - 2023: Ho Chi Minh City
  - 2024: Chennai

- The Setting in 2005
  - Global shrimp production is increasing
  - Oversupply, low prices, looming tariffs
- The Objective
  - To seek consensus solutions to critical issues and to culminate each session with recommended actions
  - We will also ask for your feedback at the end of each session using questions posed through the app.
